RE: Homestead Refund Percentage Rates

DATE: October 29, 2007

The Department of Local Government Finance (DLGF) has certified the Pay 2007 Homestead Refund Amount for every county and the Pay 2007 Homestead Refund Rates for counties that have received completed and certified budget orders.

The DLFG is unable to certify rates at this time for counties in the following categories: (1) counties that have not received a certified budget order due to delays in the submission of assessed values to the Department, and (2) counties that are undergoing a state-ordered reassessment. For counties in both categories, the Pay 2007 Homestead Refund Rates will be certified to the county at the same time that the county receives its final certified tax rates.

Refunds may not be calculated based on provisional property tax bills or bills based on property assessments that have been declared invalid and subject to reassessment. Counties which have been ordered to conduct a reassessment may only issue refunds under P.L. 234-2007 upon completion and certification of the reassessment and the issuance of property tax bills based on that reassessment. Counties that have not received a certified budget order for Pay 2007 may not issue refunds prior to the issuance of Pay 2007 property tax bills.

Pursuant to P.L. 234-2007, the Homestead Refund Amount has been certified and distributed to all counties by November 1. Receipt of said funds does not constitute the authority to issue refund checks before the requirements detailed above have been met.

If you have any questions or need any further information, please contact John Mallers, Budget Director, Department of Local Government Finance at (317) 234-3937 or by email at jmallers@dlgf.in.gov.
